2. the counter-motion would lead to a resolution at the Annual Stockholders' Meeting that would be illegal or violate the articles;
3. the justification contains statements that are clearly false or misleading or if they are defamatory;
4. a counter-motion from the Stockholder based on the same facts was already communicated at the Stockholders' Meeting in accordance with Section 125 AktG;
5. the same counter-motion of the Stockholder based on essentially the same justification has already been communicated within the last five years at a minimum of two Stockholders' Meetings in accordance with Section 125 AktG and at the Stockholders' Meeting less than one-twentieth of the share capital represented voted in favor of the motion;
6. the Stockholder indicates that he/she will neither attend nor be represented at the Annual Stockholders' Meeting; or
7. within the last two years at two Annual Stockholders' Meetings the Stockholder has failed to make a counter-motion or have a counter-motion made on his/her behalf.

Justifications for counter-motions do not need to be publicized if they exceed 5,000 characters.

For circumstances under which nominations and any explanations do not need to be made public the same applies.

If several Stockholders make counter-motions for resolutions on the same matter, or if they make the same nominations, the Board of Management can combine the counter-motions or nominations and their respective justifications.

### **3. Stockholders' Right of information in accordance with Section 131 Para. 1 AktG**

Upon request, each Stockholder shall be provided by the Board of Management during the Annual Stockholders' Meeting with information about matters concerning the Company, including its legal and business relationships with affiliated enterprises and the financial situation of the group and the enterprises included in the consolidated financial statements if this is required for a proper assessment of an agenda item. Such information shall be provided in accordance with the principles of diligent and truthful reporting.

The chairperson of the Annual Stockholders' Meeting is pursuant to Section 16 Para. 4 of the corporation's by-laws permitted to reasonably limit the time for Stockholders to pose questions and speak. Where appropriate, the chairperson is in particular permitted to limit the question and speaking time of individual or all Stockholders to individual or all topics of the meeting at the outset or during the course of the Annual Stockholders' Meeting and, where permitted by law for the proper conduct of the meeting, to order the end of the debate.

The Board of Management may refuse to provide information

1. if provision thereof would, according to good business judgment, likely be very detrimental to the Company or an affiliated company;
2. to the extent that such information relates to tax valuations or the amount of individual taxes;
3. on the difference between the value at which items are shown in the annual balance and a higher value of these items;
4. on the accounting and valuation methods as far as disclosure of such methods in the appendix suffices to provide a clear representation of the Company's actual position regarding assets, finances and profitability within the meaning of Section 264 Para. 2 of the German Commercial Code (*Handelsgesetzbuch*);
5. if provision thereof would make the Board of Management criminally liable;
6. if the information on the Company's homepage is available for at least seven consecutive days prior to the Stockholders' Meeting and in the Stockholders' Meeting.

For other reasons information may not be denied.

If a Stockholder in his/her capacity as a Stockholder is given information outside the Annual Stockholders' Meeting, this information shall be provided to any other Stockholder upon request at the Annual Stockholders' Meeting, even if this information is not necessary for a proper evaluation of the items on the agenda. In this case the Board of Management may not deny the information in accordance with the foregoing points 1 - 4.

If a Stockholder is denied the information, he/she can request that his/her question and the reason for which the information was denied be included in the minutes of the Annual Stockholders' Meeting.
