

LANXESS increases prices for adipic acid

Cologne, February 23, 2024 – Specialty chemicals company LANXESS is raising its prices for adipic acid globally with immediate effect. The increase amounts for EUR 250 per metric ton. The adjustment is due to the significant rise in raw material costs over the past months.

LANXESS is a leading specialty chemicals company with sales of EUR 8.1 billion in 2022. The company currently has about 13,000 employees in 32 countries. The core business of LANXESS is the development, manufacturing and marketing of chemical intermediates, additives and consumer protection products. LANXESS is listed in the leading sustainability index Dow Jones Sustainability Index (DJSI World and Europe).

Forward-Looking Statements

This company release contains certain forward-looking statements, including assumptions, opinions, expectations and views of the company or cited from third party sources. Various known and unknown risks, uncertainties and other factors could cause the actual results, financial position, development or performance of LANXESS AG to differ materially from the estimations expressed or implied herein.
