

Mineral Slurries

US PRODUCT OVERVIEW FOR RECENTLY ACQUIRED PORTFOLIO

Product Name	Active Ingredient*	Features & Benefits
KATHON™ WT Biocide	CMIT/MIT	<ul style="list-style-type: none"> Supplied as 1.5% and 14% ingredient formulations Broad-spectrum biocide effective against biofilm Rapid inhibition of microbial growth and enzyme synthesis Effective at low concentrations OECD 301B inherently biodegradable
KATHON™ WT 1.5% Biocide		
KATHON™ WTE Biocide		
AQUCAR™ BP 30 Water Treatment Microbiocide	Bronopol	<ul style="list-style-type: none"> Broad-spectrum bacterial efficacy Especially effective in combination with other biocides Controls slime-forming bacteria Controls anaerobic bacteria responsible for microbiologically induced corrosion
AQUCAR™ DB 20 Water Treatment Microbiocide	DBNPA	<ul style="list-style-type: none"> Compatible with all types of water treatment chemicals Broad-spectrum control of bacteria, fungi, yeast, cyanobacteria and true algae Fast acting, can be used as a knockdown biocide treatment
AQUCAR™ GA 135 Water Treatment Microbiocide	Glutaraldehyde	<ul style="list-style-type: none"> Available in different levels of active ingredient Effective against bacteria and fungi in paper making systems and useful in inhibiting slime formation in all areas of paper making process Especially effective in controlling bacterial growth in aqueous pigments and filler slurries Compatible with commonly used “wet-end” additives Compatible with anionic, non-ionic and cationic dispersants
AQUCAR™ GA 24 Water Treatment Microbiocide		
AQUCAR™ GA 25 Water Treatment Microbiocide		
AQUCAR™ GA 50 Water Treatment Microbiocide		

* CMIT/MIT: 5-chloro-2-methyl-4-isothiazolin-3-one & 2-methyl-4-isothiazolin-3-one / DBNPA: 2,2-dibromo-3-nitropropionamide

Health and Safety Information: Appropriate literature has been assembled which provides information concerning the health and safety precautions that must be observed when handling the LANXESS products mentioned in this publication. For materials mentioned which are not LANXESS products, appropriate industrial hygiene and other safety precautions recommended by their manufacturers should be followed. Before working with any of these products, you must read and become familiar with the available information on their hazards, proper use, and handling. This cannot be overemphasized. Information is available in several forms, e.g., material safety data sheets and product labels. Consult your LANXESS Corporation representative or contact the Product Safety and Regulatory Affairs Department at LANXESS.

The manner in which you use and the purpose to which you put and utilize our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether they are suitable for your intended uses and applications. This application-specific analysis must at least include testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Such testing has not necessarily been done by us. Unless we otherwise agree in writing, all products are sold strictly pursuant to the terms of our standard conditions of sale. All information and technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed that you assume and hereby expressly release us from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Any statement or recommendation not contained herein is unauthorized and shall not bind us. Nothing herein shall be construed as a recommendation to use any product in conflict with patents covering any material or its use. No license is implied or in fact granted under the claims of any patent.

All of the brands are protected brands of the LANXESS Group, unless specified otherwise.

Note: The information contained in this publication is current as of July, 2022. Please contact LANXESS Corporation to determine if this publication has been revised.
