CE- Declaration of Conformity

Lewatit® Ion Exchange Resins

CE stands for Communauté Européene (European Union) and is a compulsory conformity marking for certain products sold within the European Economic Area (EEA) since 1985.

Ion Exchange Resins do not belong to the relevant product groups and therefore are not subject to CE-Marking.

Yours sincerely,
LANXESS Deutschland GmbH

Dr. Katrin Wieland
Product Stewardship

* This information and our technical advice - whether verbal, in writing or by way of trials - are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved, statements regarding consistency are valid. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.

Our products to be delivered according to an order confirmation have been pre-registered or registered according to EC Regulation 1907/2006 (REACH Regulation), or are excluded from the REACH Regulation, or are exempted from registration according to the REACH Regulation.

For the US this letter is only of consultative character: In the United States of America the LANXESS business is conducted by LANXESS Corporation, Pittsburg, PA. Customers in the US are kindly asked to address their requests directly to this legal entity.
